### IS GOD CALLING YOU TO BE PART OF OUR MISSION TO KENYA?

Has God ever asked you to do something extraordinary. Well it could be that maybe He is asking you now!

Inheritance World Ministries' next mission trip to Kenya is in the works and applications are now being accepted. (applications available by [CLICKING HERE](#)).

The dates for our trip will be July 8th through July 22nd, 2017.

Whether you have ever thought about going on a short term mission trip or not, it could be that God is calling you to go on this one and this is your chance to honor that calling in a big way!

As part of this year's trip our team has plans to help with the ongoing construction of the Haven On The Hill Children's Home near Gatundu, Kenya.

We will be working on a much needed addition that will be used as a multi purpose building for both the children of the Haven and the local

community.

In addition we will be doing ministry such as home visits to the local people delivering much needed clothes, health supplies, Bibles and more.

We will also be planning to hold a Vacation Bible School to over 250 plus children at the school close by.

Visit the world's third largest slum called Kibera, on the outskirts of Niarobi and love on and minister to the children that are part of the Miracle Children Center there.

Hold a special outdoor movie night outreach where on our last trip hundreds of people attended with close to a hundred indicating their accepting Christ as savior.

Our team will also have other opportunities for both ministry and to take time for rest and reflection.

The great thing about a trip like this is that Inheritance World Ministries has done all the work for you and

will even show you exactly how your costs for such a trip can be covered. But even so there are still people that even though they feel God calling them will still say NO!

#### PEOPLE SAY NO TO GOD

For a lot of reasons such as:

- Fear
- Lack of time
- Lack of funds

And a number of other excuses, but in reality every NO we say to God is just that, an excuse!

So before you say NO about being part of such a great opportunity why not check out just what this trip is all about by visiting our website at [www.inheritancewm.org](http://www.inheritancewm.org) and clicking on the MISSION TRIP OPPORTUNITIES button.

In addition, after previewing the information why not pray about it and ask God if this is something He wants you to do! After all shouldn't the decision to serve God in this capacity be His and not ours?

### This Month's Focus On Ministry

#### THE CHILDREN'S CORNER

From the conception of our ministry here at Inheritance we have always felt that our purpose was to seek out and come along side of those ministries doing great things for God when it came to the care of orphans and neglected children.

Through the support we receive from people like you we are able to do just that, and so in this month's newsletter we want to share with you some of the stories of the children that your gifts and prayers touch so that you might be encouraged to see that God is using us together as a team to touch so many

lives!

#### Kelvin Waitthaka Nwgure

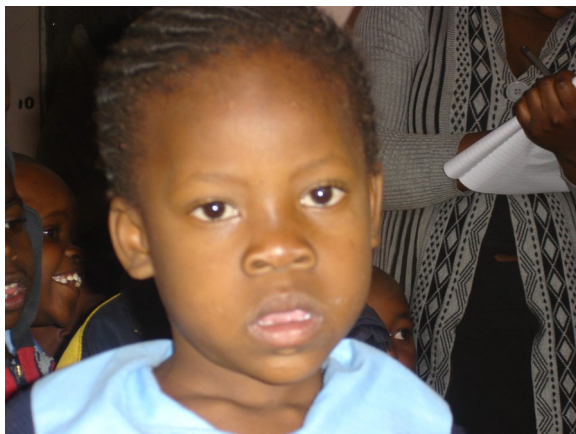

Kelvin lives at the Haven On The Hill Children's Home. Kelvin at age five was taken out of the Kayole slums by a Muranga police officer. Kelvin was neglected and hungry with no hope for any future. He was placed in a Muranga Rescue Center on May 29, 2008.

(Continued on page 2)

## This Month's Focus On Ministry (continued)

Kelvin was then brought to live at the Haven on June of 2008 and became the fourth boy to come to live at the Haven on the Hill Children's Home. He is a brilliant young boy with a big heart and a smile to match!

### Lavenda Achieng

Lavenda never got to know her parents because her father died before she was born and her mother died just four months after her birth by complications due to a fall.

Lavenda, young and helpless was then taken in by her father's brother. Unfortunately Lavenda was mistreated by her uncles wife and one day wandered away and was found lost

and taken to the police station. She was then taken in by her Mother's sister who she now lives with.

Her aunt then seeing the need for help brought her to attend the Miracle & Victory Children's Center where she is provided with food, clothing, education and the hope of knowing Jesus!

### Simon Phillip

Simon was reported to have been abandoned by his mother in November of 2009.

The whereabouts of his mother is not known and no other relatives have claimed him.

Simons name was listed only as Mohammad on the children's report.

At Simon's request he was given a new name. He also wanted to be given the name Phillip. Hence the name Simon Phillip. Simon lives at the Haven On The Hill Children's Home near Gatundu, Kenya where he along with his many other "Brothers" are well cared for and have the opportunity to know Jesus. He is such a blessing through both his presence and his smile!

**Thank you for all you do and continue to do so that we can touch lives and share the hope of Jesus with these children and many more! God bless you!**

Because of your gifts and support we were able to just recently send sizable contributions to both the Haven On The Hill Children's Home near Gatundu, Kenya and the Miracle Children's Center in Kibera, on the edge of Nairboi, Kenya.

Those gifts will go to much needed supplies and needs in both of those ministries that will provide care for children like some of the ones we have shared with you in this newsletter.

Some of the things your giving provides but not limited to is:

### **Haven On The Hill Children's Home**

- Housing / utilities
- Food and clean water
- Education
- Medical care
- Clothing
- Housemother's and caregivers
- A safe supervised environment to grow and learn about Jesus
- 

### **Miracle & Victory Children's Center**

- Education
- Clothing / Children's School Uniforms
- Family support and the hope of knowing Jesus as savior

God bless you for all you do so we can keep on doing the things God as called us to!

## PRAYER REQUESTS

Please pray:

- That God would lead the right people to be part of our mission team this July as we continue to accept applications from now through January.
- For the continued funds so we can continue to support ministries like Haven on the Hill ([throughthestorm.org](http://throughthestorm.org)) and Miracle & Victory Children's Center ([bringingmiracles.com](http://bringingmiracles.com))
- That God would provide the finances for the team to make this year's mission trip possible.
- For continued direction and guidance for our ministry as there are so many needs, but limited resources to meet them. So prayer for wisdom to minister is much needed and very welcome!

## OUR MISSION

*As part of the body of Christ, Inheritance World Ministries is to reach out to the unsaved, to establish the care for orphans and the brokenhearted and to train the church to do the same by equipping them through the application of the Word of God through direct teaching and missions both at home and abroad.*

Thank you so much for all you do in helping us minister to the children of Kenya and to others. Your prayers and financial support does more than you know. You may not know this but it has been our goal from the beginning that no one serving at our ministry take a salary so everyone that is ministering through Inheritance World Ministries volunteers the gifts God has given to them. Because of this fact almost all of the funds we receive go towards the children and people we minister to in the name of Jesus!

So thank you again for all you do both prayerfully and financially. Together we are making a difference for all eternity!
