Let The Journey Begin!

Stepping out of our comfort zone is something most of us have a hard time with. We like to be in control don't we? And we also like to be able to see what's around the next corner if we can.

Unfortunately life doesn't afford us that luxury and neither do mission trips.

But for the almost 30 people that got together for their first IWM mission meeting on March 15th they were willing to forgo their desire to be in "control" and step out in faith in many ways.

As we gathered together it was clear that God had brought us all there from many different backgrounds and churches with each of us bringing to the table a different set of skills or talents that I know God will use to carry out His plan for all of the team members as well as the people we will minister to.

No matter where or how God draws our 2015 Inheritance World Minis-

tries mission team from, we will all move from strangers to becoming friends and eventually family.

If you haven't realized it by now FAMILY is what we are all about at Inheritance World Ministries. It is our goal to link all of us as supporters, staff, team members, and prayer partners together and to then invite the least the last and the lost into our family circle and the family of God as well.

At present there are 29 people who have committed whole heartedly to take on whatever God has for them in serving in Kenya this July 30th through August 14th. And at the time of this writing there have been

several others expressing their desire to join our team.

Our goal is to take 30 people as part of our mission to Kenya this year and God is working in the hearts of people to meet that challenge.

It is still not too late for you to join us. At present we have only 1 spot left, and maybe God has reserved it and it remains open just for you.

If you would like to complete our team visit www.inheritancewm.org for all the details or call us at 570-460-1442.

It could be that 6 months from now you could be returning from the greatest adventure of you life!

Our 2010 Mission Team To Kenya!

This Month's Focus On Ministry

Bill & Luann Ziegler

In a recent answer for volunteers at IWM Bill & Luann have graciously accepted the challenge and have offered their gifts by joining and serving the Inheritance World Ministries family.

Because of Bill's background

in Internet Technology he has been able help us streamline our ministry in so many ways and to take advantage of the technology we all have at our fingertips today.

Bill's many years at serving in PBS television has allowed him to glean so much knowledge in the areas we need to

adopt if we are to make our ministry effective and give it the opportunity to grow and thrive in the direction we feel God is taking us.

In serving together Bill & Luann head up our admin team. Although they are serving from behind the scenes all their efforts are clearly

visible on the forefront.

Luann serves in sorting, stuffing, mailing and data entry with Bill working in technology development and implementation of programs and software.

One of the things they have brought to the ministry besides

This Month's Focus On Ministry (continued)

their wonderful ideas and creativity is a willing heart to serve the least the last and the lost!

Because of them we are now using a popular application called Dropbox where all our files and documents can be uploaded and shared almost instantly between staff, board, our admin team and our mission team members.

One example of this blessing is that our mission team members will be able to each access their own Dropbox where they can print out and view documents from almost anywhere using their computer, tablet or phone.

In addition they can track their fundraising efforts as part of their participation in our upcoming mission trip in almost real time as it is entered in and recorded.

It also allows us to upload files so that another team or staff member can access and edit them and then save them back to the box ready for use.

Bill & Luann have also redeveloped our whole access software database allowing us to have all the needed information about our Inheritance World Ministries family together in one place. With the ability to instantly sift through all the profiles of the different roles people or organizations have in our ministry together and sort them as needed in order to send letters, create labels, track involvement, or whatever the case.

So thank you Bill & Luann for all you do and for filling a much needed void in our ministry Family!

What About You?

Have you ever thought about how you can serve? Maybe you are thinking what can I do? I don't have much to offer. But if you are thinking that you would be wrong. I am sure that whatever it is you have in the way of gifts or talents God has a place for you in our ministry together.

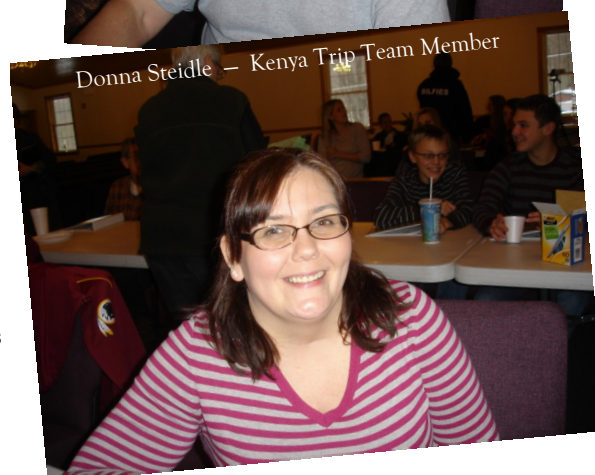

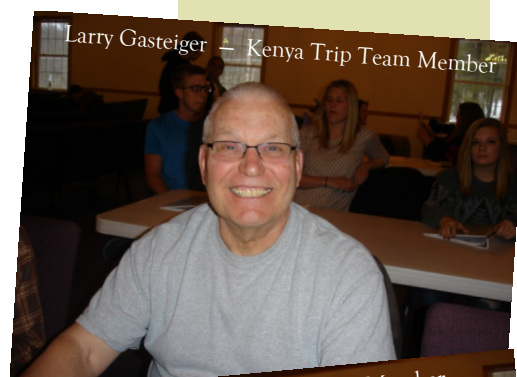

Here are just some of the areas we need people to serve:

- **Mission Team Members - (Approximate total time involved: 40 hours of preparation and training, and 15 actual mission field days per mission trip)**
- **Shoppers - (Approximate total time involved: 6 total hours)**
- **People Willing To Sew - (Approximate total time involved: 8 total hours)**
- **Website Designer / Manager - (Approximate total time involved: Unknown but can be done in small increments weekly over time)**
- **Email Campaign Manager - (Approximate total time involved: 3 hours a month)**
- **People to print, collate, and assemble - (Approximate time involved: 4 hours monthly)**
- **Envelope Stuffers / Mailers - (Approximate total time involved: 5 hours a month)**

This list is certainly not exhaustive and whatever your passion I know there is a spot for you to serve here at IWM so give us a call or visit our website at <http://inheritancewm.org/ministry/volunteer/> for all the details about how you can serve through our family to the least the last and the lost!

What's New?

God has been opening doors left and right for us to share our message and our ministry here at IWM.

On top of these opportunities He has created avenues for people to come on board in support of our efforts together both prayerfully and financially.

Here is a list of just some of the places we will be sharing about all the good things God is doing through Inheritance World Ministries:

- **March 20th** - The Mount Eaton Church Ladies Fellowship will be hosting a spring banquet and silent auction with all proceeds going to Inheritance World Ministries.
- **April 19th** - We will be sharing about the ministry at Middlecreek Christian Church in Kresgeville, PA. at 10:30 am.
- **April 28th** - We will be presenting about the ministry to the MOPS (Mothers Of Pre Schoolers) group at Mt. Bethel Lutheran Brethren Church in Mount Bethel PA. They have graciously willed to donate clothing for our IWM mission trip to take with us to the children in Kenya.
- **July 19th** - Dave will be sharing about the ministry and preaching the sermon that morning at Mt. Bethel Lutheran Brethren Church in Mount Bethel, PA.
- In addition other speaking opportunities are also being finalized with other churches and we will make those dates available as soon as we have them locked in, in case you would like to attend those times to show your support or hear first hand all about what God is doing as He leads us at Inheritance World Ministries.

If you know of an opportunity to share our ministry or would be willing to provide such an opportunity to speak at your church or group please don't hesitate to call us at 570-460-1442 as we would love to have the chance to share all that God is doing.

God bless you all for all you do and for the big part you play in this ministry!

PRAYER REQUESTS

Please pray:

- That God would fill the spot of the final person we need to complete our mission team to Kenya this summer.
- That God would provide the finances for the team to make this year's mission trip possible.
- For God's wisdom in planning and working through all the logistics of the mission trip to Kenya.
- For additional speaking opportunities to share the ministry and all that God is doing through us together.
- The opportunity for more and more people to join our IWM family so that we can fulfill our calling and all God has for us!

OUR MISSION

As part of the body of Christ, Inheritance World Ministries is to reach out to the unsaved, to establish the care for orphans and the brokenhearted and to train the church to do the same by equipping them through the application of the Word of God through direct teaching and missions both at home and abroad.

Thank you so much for all you do in helping us minister to the children of Kenya and to others. Your prayers and financial support does more than you know. You may not know this but it has been our goal from the beginning that no one serving at our ministry take a salary so everyone that ministers through Inheritance World Ministries volunteers the gifts God has given to them. Because of this fact almost all of the funds we receive go towards the children and people we minister to in the name of Jesus!

So thank you again for all you do both prayerfully and financially. Together we are making a difference not only in the here and now but also for all eternity!
