Come Join Us As We Share God's Love In Kenya This Summer!

Has God ever asked you to do something extraordinary. Well it could be that maybe He is asking you now!

Inheritance World Ministries' next mission trip to Kenya is in the works and applications are now being accepted. (applications available by [CLICKING HERE](#)).

The dates for our trip will be July 13th through July 28th, 2019.

Whether you have ever thought about going on a short term mission trip or not, it could be that God is calling you to go on this one and this is your chance to honor that calling in a big way!

As part of this year's trip our team has plans to help with the ongoing construction of the Haven On The Hill Children's Home near Gatundu, Kenya.

We will be working on a much needed addition that will be used as a multi purpose building for both the children of the Haven and the local

community.

In addition we will be doing ministry such as home visits to the local people delivering much needed clothes, health supplies, Bibles and more.

We will also be planning to hold a Vacation Bible School to over 250 plus children at the school close by.

Visit the world's third largest slum called Kibera, on the outskirts of Niarobi and love on and minister to the children that are part of the Miracle & Victory Children Center there.

Our team will also have other opportunities for other ministry and to also take time for rest and reflection.

The great thing about a trip like this is that Inheritance World Ministries has done all the work for you and will even show you exactly how your costs for such a trip can be covered. [CLICK HERE](#) to view a detailed brochure all about the trip!

But even so there are still people that even though they feel God is calling them will still say NO!

PEOPLE SAY NO TO GOD

For a lot of reasons such as:

- Fear
- Lack of time
- Lack of funds

And a number of other excuses, but in reality every NO we say to God is just that, an excuse!

So before you say NO about being part of such a great opportunity why not check out just what this trip is all about by visiting our website at www.inheritancewm.org and clicking on the MISSION TRIP OPPORTUNITIES button.

In addition, after previewing the information why not pray about it and ask God if this is something He wants you to do!

After all I don't know any safer place for any of us to be then in the center of God's will!

This Month's Focus On Ministry

MEETING THE NEEDS!

Since our last newsletter there has been a lot that that has happened and in those happenings there has been both tragedy and blessing.

Let me share with you just some of those needs that transpired during that time and how you as God's peo-

ple met those needs and cared so deeply for so many people. Some of which you will never meet while here on earth!

The Flood

During the spring of this year Kenya suffered severe rains and with it great flooding.

Many people lost their homes,

possessions, and for some their lives. In asking for your help to meet this difficult

Children in Kibera Receiving Blankets And Mosquito Netting

situation you responded and because of that response we were able to forward \$1800 to the Miracle & Victory Center in Kibera, so that they could purchase blankets and mosquito netting to meet the needs of the children there to protect them from the cold and malaria!

Pastor Francis & Family

Pastor Francis who lives in the area of Nairobi, travels out among the locals with a calling to share the gospel with those he comes in contact with. Through a correspondence with him we found out that both his wife and child were in the hospital for typhoid. In addition to the need for funds to help with these bills there was also a need for bibles for him to distribute to those he shared with to better know Christ. Through additional funding from people like you we were able to help in a special way to help meet both those needs.

Pastor Francis and Family Coming Home From The Hospital

Angela's Family

Through our partnership with the Miracle & Victory Children's Centre in Kibera we were informed of the tragic death of a young girl there called Angela who attended the centre. On her way to school one morning she was assaulted and raped and tragically died a short time later leaving the family and community deeply grieving. Although the gift we gave to this family was not the largest as far as funds go, coupled with our prayers I know it went a long way to helping this family through their grief and loss and showed them that God still cares.

I think one of the things we all need to understand and remember is that when we give unto the Lord our gifts don't have to be large, but they do need to be from the heart and timely. Those are the gifts that hold the greatest impact and are the most meaningful. In reality all we have is God's and it is our responsibility to share with each other as God leads us to.

So thank you for all you do and continue to do so that we can touch the lives of those God leads us to share with and hopefully make a difference in some small way!

God bless you richly!

Ministry Gifting

Because of your gifts and support we were able provide contributions to both the Haven On The Hill Children's Home near Gatundu, Kenya and the Miracle Children's Center in Kibera, on the edge of Nairoboi, Kenya.

Those gifts will go to much needed supplies and needs in both of those ministries that will provide care for children like some of the ones we share with you each month.

Some of the things we would like to help provide for in the future is:

Haven On The Hill Children's Home

- Housing / utilities
- Food and clean water
- Education
- Medical care
- Clothing
- Housemother's and caregivers
- A safe supervised environment to grow and learn about Jesus
-

Miracle & Victory Children's Center

- A van to help provide income for the centre
- Teachers / caregivers
- Clean water and meals
- Education
- Clothing / Children's School Uniforms
- Family support and the hope of knowing Jesus as savior

God bless you for all you do so we can keep on doing the things God has called us to!

PRAYER REQUESTS

Please pray:

- That God would lead the right people to be part of our mission team this July as we continue to accept applications from now through January.
- For the continued funds so we can continue to support ministries like Haven on the Hill (throughthestorm.org) and Miracle & Victory Children's Center ([Facebook.com](https://www.facebook.com))
- That God would provide the finances for the team to make this year's mission trip possible.
- For continued direction and guidance for our ministry as there are so many needs, but limited resources to meet them. So prayer for wisdom to minister is much needed and very welcome!

OUR MISSION

Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world. (NIV)

James 1: 27

As part of the body of Christ, Inheritance World Ministries is to reach out to the unsaved, to establish the care for orphans and the brokenhearted and to train the church to do the same by equipping them through the application of the Word of God through direct teaching and missions both at home and abroad.

Thank you so much for all you do in helping us minister to the children of Kenya and to others. Your prayers and financial support does more than you know. You may not know this but it has been our goal from the beginning that no one serving at our ministry take a salary so everyone that is ministering through Inheritance World Ministries volunteers the gifts God has given to them. Because of this fact almost all of the funds we receive go towards the children and people we minister to in the name of Jesus!

So thank you again for all you do both prayerfully and financially. Together we are making a difference for all eternity!
